

## SOLAR POWER SOLUTIONS

A solar-recharged battery system gives you the freedom to run lights, refrigerators, fans and electronics anywhere the sun shines— Whether you are in a remote or in primitive location, Pell Solar systems provide AC/DC power even when the sun goes down. Pell Solar’s Merit and Elite packages can be installed in all types of trailers and RVs, providing dependable power all day and night.

### WHY CHOOSE SOLAR?

- *Freedom to explore remote, off-grid locations*
- *Less Noise, a silent alternative to gas generators*
  - *Extends battery life*
- *Clean, Renewable and a safe power source*
- *Configurable Systems to meet your power demands*
